

İSTANBUL , 22 APRIL 2019

CERTIFICATE OF AUTHORIZED DISTRIBUTOR

With immediate effect, we are pleased to appoint **LLC "WM Ukraine"** to be authorized distributor for full range of Ortac products in Ukraine.

With regards to those products that are manufactured by our company, it has been our policy to support **LLC "WM Ukraine"** to provide all the pre-sales and after sales services with regards to design of product application and back-up facilities.

The validity of this official distributorship shall remain in force until end of December 2019. It can be then extended in time for successive terms.
